

## **Community Group Questions - 4/22/24**

### **Introduction**

Good evening everyone! This week was week 3 in our series, "Elements Of Discipleship". This week, we focused on prayer. Before we read God's Word and go into the questions, take some time to pray as a group.

### **Scripture**

Please read the following Scriptures in preparation for the questions.

**Philippians 4:6-7**

**1 Peter 5:7**

**James 1:5**

**Luke 11:1-4**

### **Questions**

Q. How would you currently describe your prayer life?

Q. How do you practice prayer? (Set times, places, is it sporadic?)

Q. Do you find prayer difficult? Take some time to explain your answer.

Q. We will often ask God for help in many different ways. Have you ever thought to ask God for help when it comes to prayer?

Q. Have you or someone you know ever seen the power of prayer first-hand?

### **Closing**

In closing, ask the Lord to help you in your prayer life. Update one another on prayer requests and pray together as a group.
